Section B: IMPORTANT LIABILITY RELEASE INFORMATION:

I have been advised by Loben Expeditions of the following matters in relation to my upcoming trip or expedition in Himalayas with Loben Expeditions. I have been advised that travel, trekking, climbing and especially mountaineering is inherently dangerous activities. I may be killed, injured, incapacitated and experience pain, illness and suffering. I may experience loss, damage or theft of my property. Any of the above may not be Loben Expedition's fault or the fault of anyone. These incidents may be caused by others in my party, employees or directors of LOBEN EXPEDITIONS, their subcontractors or even my guide, may be caused by environmental factors, or even just physical or mental exhaustion which can happen at any time on my trip. There is no way of predicting all the hazards I may face. While LOBEN EXPEDITIONS will take reasonable precautions to minimize the risks, there is no way LOBEN EXPEDITIONS can guarantee my safety on this trip 100%. I acknowledge that often the areas of operation are remote with little or no immediate medical support. In some remote areas self-rescue is the only option. My guide/staff may need to begin first aid appropriate to the remoteness of the area and the nature of my ailment. By signing this document I certify that I have read and understood these risks and they are acceptable to me. I also agree not to seek compensation, financial or otherwise from any incident that might occur during or associated with the trip, from LOBEN EXPEDITIONS, its directors, officers, employees or subcontractors. Itinerary Policy

LOBEN EXPEDITIONS will make every effort to achieve the objectives of the given trip/expedition. By signing below I understand that variations may be necessary for reasons including but not limited to; safety, interruptions to transportation, political unrest, prevailing weather conditions and the needs of the group.

Trip Price Policy

The trip price may change at any stage. Changes might be due to international currency fluctuations, inflation, fuel prices, conditions, fees or other changes. Once your full payment has cleared into our account, we would normally not vary the price. If the trip price were to vary considerably (10%) after you had paid your non-refundable deposit and you decided to cancel we would likely allow a full refund or transfer to another trip.

Garbage Deposit (applicable to Expedition member)

I have also been informed that we have to make a garbage deposit while undertaking any expedition in the Himalayan region with the concern department/associations, which is a refundable amount after the completion of expedition. But the amount is subject to forfeit, if the team or expedition is unable to meet the criteria imposed by the government or associations for the refund of the garbage amount. It is also mandatory to bring back the death body of the team member or climber in case of any accident occurs on the mountain. The costs incurred on such scenario have to be bear by team member or next to kin. Loben Expeditions will not be held responsible for such circumstances.
